Chapter Director's Message

Well, howdy folks, we have had a great past month, what with a good turn-out for the "Rally In the Valley" ride. But we had as much trouble as a "Pack a Harleys". Forks seals goin out, ABS sensors getting plugged up with crud, bolts falling out of calipers, vents being blown out of fairings and such. (Don't tell the Harley guys!) But as always the wings took us home.

We just did a ride developed by John Racer to a Model train facility. He did a great job of orchestrating, great ride, lots of scenery, stuff to do, ect, ect. We

hope John plans another one. Well, the Chapter Fund Raiser is getting close, and this year we are not only going to raise "Oodulls" of dough but we are doing things to also have fun.(Who knows what will happen.)

Well, I,m outta here as I gotta go ride (Tee Hee), so say hello to Mugsey.

Uncle Jim Boob AKA Jim Carr C.D.CA2S GWRRA.

Hi Mugsey here,

What a month, Had a great shopping day while the guys were out of town at the Rally in the Valley. Now can't wait for the Fundraiser "The Garage Sale". They always say that one persons junk is another persons Treasure. And I don't know about you all but I love Garage Sales and with a Bake sale to boot— Weee doggies. Oh! And there will be Hot Doggies there too.

What more can a person ask for. Lets all DIG DEEP and find those treasures to sell and lets make lots of money for the Chapter. And if you can't cook, or have the time to cook, there are Bakeries that you can get stuff to sell and pass off as your own. Hehehehe!

Don't forget in May we are going to Woolgrowers for Dinner. That's always a real Treat. There will be more info on that as we get close.

Well hope you all have a great month, hope you can make some of the events.

Take Care and Ride Safe, Mugsey

Our Sister Chapter News

"Hold on! Let me check my calendar. Is it Christmas? No, I suppose it's not. But, we've been informed that we're receiving a gift package from our Sister Chapter! You heard me right. The 'Springs Wings, (CO-I) has informed Jim Carr that a box is on it's way to his address. It hasn't arrived yet, but we've been told that inside the box are some artistically crafted items made by one of the CO-I members. Wow, these guys are nice people, and creative too? Boy, did we ever luck out to have such a thoughtful and talented sister chapter.

Well, as my mother taught me, one good turn deserves another. (Or was that John Watt, making one good U-turn after another?) So, we have two additional things to look forward to at our next chapter meeting. In addition to our usual fun & games, we'll have to see what was sent to us by our chapter brethren, and, we'll have to put our heads together see what ideas we can come up with for a reciprocal gift. Put on your thinking cap, and give it some thought.

It sure feels like Christmas.

- John"

Mailbag, continued

My Saturday ride went well, though I wasn't able to join our group. But my Sunday ride was a different story. I rode from my home in Los Banos to a friend's house in Lafayette , where I have some remodeling work I'm doing for him...

At any rate, I've been trying to squeeze the last little bit of life out of my Goldwing tires, and apparently I pushed it a little bit too close...

When I got to Lafayette , I parked the bike, and looked at the rear tire as I walked away, only to see a 10"-12" strip of steel cable showing down the middle of the rear tire.

Immediately thankful the thing hadn't blown while I was riding, and thereafter chastising myself for pushing it so close, I set about trying to find a shop nearby to change my tire. Out comes the Goldbook. Only shop nearby is Concord Motorsports, closed on Sunday. Wife drives all the way from Los Banos to get me and the bike sits at friend's house until this weekend (April 19), when I can get back up there to get it...

Now I'm relegated to traffic and a closed up little car for the rest of the week.

GREAT!

See you around, Robert Marshall

The Other Saturday Ride

Well . . . I hope you all had a good time on your April 12th ride. It was a beautiful day for a ride. (All reports are that the chapter ride was indeed wonderful.) The following is an email I sent out and the responses I got from Robert Marshall and Roger Walls about MY Saturday ride that weekend.

MY beautiful day ride was out of necessity. In getting in MY car to go to Mom's house to sell HER car, MY car wouldn't start due to a dead battery. So I rode MY bike over to Mom's house and after we sold HER car (we met the guy at Mervyn's Milpitas), Mr. Les brought us back to Mom's house so I could get MY bike.

After getting my hair done near Lawrence & Stevens Creek (I hate to get my hair done then put on a helmet), I rode to Costco-Sunnyvale (Lawrence) where, I found out, they do not carry a battery for MY car. I rode to Kragens @ Wolfe & El Camino, where they, too, do not carry a battery for MY car. Kragens told me to try Buick, so I went to the old Smythe Buick (near Lawrence & Stevens Creek) where the parts department isn't open on weekends. A sales guy suggested Walmart, so BACK to Milpitas I went, where, guess what, they don't sell MY cars' battery. I called MY daughter to borrow HER car to get Mom to church. So, to Stevens Creek & Saratoga I went to pour out MY sob story to my daughter. She suggested Pep Boys near her. We called, PEP BOYS had MY battery in stock! WOOPEE! But, wait... MY battery is a specialty battery; it costs \$ ONE HUNDRED FIFTY DOLLARS!!! Crap.

Got the battery, got Mom, went to church. Dropped Mom back at HER home, and dropped Daughter's car at her house. (Forgot about this next with my initial email.) Hugged my grandson with my cheap-o reading glasses around my neck and snapped MY glasses in two. Terrific. Now I'm half blind too! Went with Mr. Les back to MY house (Lawrence & Benton), he in the truck, me on the bike, and installed this OMG costly battery, then back to Pep Boys (Stevens Creek --AGAIN) to drop off the dead battery and get the \$10 (big deal) core charge.

Crap... What a day. MY hair is flat, I spent all day riding around in circles, MY arms are burnt, I can't see, but MY stupid car RUNS!

Hope your Saturday ride was better than MINE!!!

From our District Directors,

We've had a fabulous last 30+ days riding our Wing around our beautiful state and seeing many of you. When last we met, we were getting ready for a trip with Chapter I, an over-nighter that would take us to Anza Borrego desert and much more. Dan Morgan had planned this ride and although I must admit going into the ride I wasn't certain of this "tactics" I was up for a new adventure. I know that other chapters have done

mystery rides with great success and this started that way. At the meeting Dan gave out incredibly detailed maps, brochures and a schedule (I use that term loosely!). He had told the groups through email to plan the groups they wanted to ride with before arriving at the riders meeting and he had given out all the names of attendees(except ours as we were a surprise to the chapter when we arrived at their riders meeting and that was fun). Then the groups were on their own to follow the route in their own time. There were many stops available with much to see, but the time you stayed in that location was up to your group. Well, I wasn't sure about this, but this ride taught this ol' DD a new trick! The sites were incredible, places I had not explored in such detail, the wildflowers were blooming and the history of our own "backyard" was revealed. We all met for wonderful dinner where stories were shared and then many partied until the wee hours of the AM. It was a leisurely morning by most and then off we went to see more sites and then head for home. It was great event and we are so happy that we were asked to ride along!

The ride definitely gave me a new look at doing a ride. We sometimes do things the same way because it's comfortable, and...it's the way we've always done it ☺ I will challenge the chapters to take a look at your ride calendars and see what you can do to spice them up. The ride we took was close geographically but we traveled many miles and learned stuff about our own "backyard" that we didn't know. It was the adventure, friendship and the ride that made this fun. It wasn't a real expensive weekend but it was something different and I believe worth looking into for the chapters to encourage more folks to come out and ride.

So we came home, repacked our bags and headed the next weekend for Rally in the Valley. Chapter R did an awesome job again on their event. The riding that can be done from Mesquite is incredible and for me it was really cool to realize that it was my picture on the back of their shirts (they thought JR took it because he photo-shopped his helmet out of the picture). Thanks for another great event.

The Sport TRIKE is the result of Gold Wing riders' requests. It is in a sense, the ultimate Gold Wing accessory.

Chapter Q did not disappoint with their ride the following weekend. We had our grandson with us so we were in the car but the park is fabulous and the food, the food, the food...way too much and incredibly tasty!!!!

Then we were off to the L/Y weekend. The pirates met in Arroyo Grande and you could take a ride or walking tour of the area. This is always a beautiful ride and what a great time to year to be there instead of October! Then after another great dinner at the Hitchin' Post in Casmelia (a tradition that started 10 years ago with Jimmy Zabler and we gladly continue with each year), we joined the mighty ducks of Y for a beautiful ride (yes we got lost) through their countryside. It was a great idea to put these events back to back as it gave many of us time to really visit. It was a great turnout of support, but what I don't understand is this. Southern California, 2J and 2W were there in support of this event. We were mid way up the state, so I ask...Northern California, where were you? You missed a great event and we missed seeing you again. Just a challenge to support eachother and come out and have fun!

The calendar is still full of fun events for May and we'll see you there. There is also an event coming in June, the 27th, 28th, 29th, the Horizon's Program will be held in Bakersfield again at the Doubletree Hotel. Look for the flyers to be out soon and plan to be there. If you want to hear about Horizon's from a student, go to Chapter R's website and go back about 2 months of newsletters and read the article by ACD's Rick and CJ Kagamaster, it really tells you about the program from the student's view point. I can tell you how fantastic it is and that you shouldn't miss it, but hear it from a student. This program is not only for future leaders in GWRRA but any volunteer leader anywhere. The definition of leadership is anyone who takes the lead for any type of event or organization. It is an awesome program that is loads of fun and we want to see you there. Flyers should be out by the time you read this.

The last thing is that I will be working with Mike Burke, the District Webmaster, to build a District Rally webpage. The registration form is already out and we have even received some back, THANK YOU!! We will be displaying the T-shirt for the rally on the site, as well as talking about the vendors who will be attending, classes that will be held and the fun events that are scheduled. We should have that up by the end of May and we'd love your feedback when it's up and running. It will be a part of the District website so no new address is required, on www.gwr-ra-ca.org.

So Happy Mother's Day and we'll see you at the upcoming events!

Ride safe, spread happiness and be good to eachother!
